DEVON SQUASH AND RACKETBALL ASSOCIATION

HON. SECRETARY'S REPORT FOR 2016-2017

GENERAL

England Squash and Racketball, the National Governing Body is still in a process of re-branding and has now become made various cost-cutting exercises. As with other County Associations, we are not sure what the eventual outcome will be. There has been a vast reduction in staff at the Manchester Head Office and other various changes, including a proposed reduction in the number of referees assigned to many events.

The Regional Forums have been formed; however these forums are voluntary and our Chairman, Bob Hefford, is our representative. At present, the South West Forum is meeting but not on a regular basis and Bob Hefford will update the committee on progress. At present, there appears to be no involvement from ES in these forums.

The Executive Committee met four times during the year in August and November 2016 and in February and May 2017.

Exeter Diamonds withdrew from the Premier Squash League. Thanks go to all the team sponsors and in particular, the main sponsor, Keith White MBE of Michael Spiers Jewellery.

LEAGUE, CUP AND SHIELD COMPETITIONS.

JUNIOR GRADED TOURNAMENTS

Report thanks to Jess Hefford.

'There have been 5 Junior Graded Tournaments held to date throughout the county with the final tournament on the 25th June at the Exeter Golf and Country Club. Unfortunately Kirton were unable to host a tournament this season.

There are 3 grades A, B and C.

Players played in the grade relevant to their ability and moved up to the next grade if they won their grade twice or if their playing improved to warrant moving to the next grade.

At each tournament points were awarded to each player and this seeding assisted Organisers with the draws for the tournaments, as they do not necessarily know all the players.

These tournaments are useful to give players experience in playing tournaments and playing children from other clubs as well as identifying players with potential who may benefit from attending sessions with Mike Harris.

A thank you to D & E, Fort Stamford, Newton Abbot, Nuffield Devonshire and Torquay for hosting these tournaments and to all the parents who relentlessly travel around the county.

The numbers entering the tournaments has dropped and it has been necessary on a few occasions to only run a tournament with 2 grades rather than 3.

With this in mind and the rising cost of trophies if the club does not have a sponsor I have decided after talking to parents who are supportive of the tournaments that we could issue certificates rather than trophies which would ensure that the organisers do not run the tournaments at a loss for 2018 to 2019.

Jess Hefford
Junior Tournament Organiser'

JUNIOR COACHING

The Junior Coaching has been very successfully organised by our new Junior and Senior County Coaching Coordinator for the county squads, Mike Harris.

His report as follows:

'The Coaching set up has run very well this year, the structure being:

-

- Devon Open Training: Held every 8 weeks or so on Sundays at various clubs around the county (Fort Stamford / Newton Abbot / D&E) using a team of coaches (Jon Gallacher & Duncan Hefford, Jon Sharpe & Harry Senior, Paul Smith & Tory Temple Murray). This is an entry level session for kids who want to play outside of their normal club environment and potentially start pushing for team selection.
- Devon Team Training: Held every 4-6 weeks at EGCC with Mike Harris & James Snell as coaches. Open to all Devon Junior Team players from U11-U17 years. Always have had strong numbers with kids from all over the county.
- Excel Squad Training: Held every 6-8 weeks at EGCC with Mike Harris. These sessions are for the older players / those who are regularly competing in ES Junior events around the country. Also alongside other juniors from Somerset and Cornwall to promote hitting with other strong players.

In general I have had around 50 kids + attending sessions regularly throughout the year with more on the periphery attending the Devon Open sessions on occasion. This has been really positive but definitely would like it to grow.'

We could still do with a lot more help from clubs/coaches with contact and input regarding juniors and numbers. Particularly Torquay / Fort Stamford / Crediton but also any clubs with regular Junior Saturday mornings! Mike will be in contact with all involved but is still waiting on some responses. We are keen to spread sessions around the county as much as possible but need the replies from various clubs.

- ES Ranking events: We have a number of players regularly competing on the national stage in ES ranking tournaments. Details of their National rankings are shown below.

There are also others regularly competing and doing very well in events who are not yet on the rankings.

We also hosted 3 x ES ranking events in Devon this year – D&E Silver event, EGCC Bronze event & Newton Abbot Bronze event. All tournaments ran very well and we are looking to increase the number of ranking comps around the county next season. D&E, EGCC (x2) and Newton Abbot have all confirmed they will run again so it would be great for other clubs to do so too.

INTER-COUNTY COMPETITIONS

It is good to see many of our County Teams competing for the Final stages of the ICC, including our Men's and ladies Senior teams who came 4th overall, the 'O' 35 men who were runners up. But the best result for Devon was the men's Racketball who are the England Squash County Champions.

Thanks to all the Players and of course the Captains.

JUNIOR ICC

Boys U11 / U13 / U15 / U17, Girls U15 / U17 teams all competed and did well in their respective events. Huge thanks to parents for taking on the burden of travel and accommodation sorting where necessary. We will be looking to put out the same teams again this year with hopefully the addition of a Boys U19 team as well.

Devon U11's reached the Semi's of the English National U11's in Warwickshire (placing 4th out of 30+ counties). Ioan Sharpe, Billy Whalley and Eddie Whalley all play in U13's too.

Devon 13's won Stage 1 of the intercounties beating Dorset and Cornwall, away in Cornwall but lost out in Stage 2 away in Cheltenham despite having an average age of Just 10 throughout the team.

Our top 2 players, Ioan and Billy are both amongst the top players in the UK with Billy recently coming 13th in the National U11's in Sheffield (unfortunate to play the winner in the 3rd round). Ioan is currently Welsh Number 1 U11's and on course to represent Wales against England/Scotland/Ireland/France next March.

We have 5 players from the squad with at least 18 months left in U13's so looking strong. U11's will be a brand new team for next season with Ioan and Billy turning 11 at Christmas.

Girls U 15 team played in stage 1 at Exeter and came 2nd, qualifying for the stage 2 play offs in Surrey.

Unfortunately there were some very strong girls in the other county Teams, and our girls came 3rd, missing out playing in the finials.

It is great to see our Girls competing. Squad consisting of Ruby Jarman;Faith Warren; Roxy Gillingham; Freya Lockwood;Iszzy Emerery;Daisy Bishop

INDIVIDUAL ACHIEVEMENTS

Tory Temple-Murray has been unfortunate to have sustained an Achilles injury, and is recovering, currently No. 116 in the WSF World Rankings.

In the PSA World rankings, Lyell Fuller is currently No. 109, and Mike Harris is No. 181

National Junior Rankings.

- Ruby Jarman – 33 in U17 (a year to go)
- Faith Warren – 53 in U17 (year to go)
- Ioan Sharpe – top 3 in Wales U13 (year to go)
- Oliver Gribble – 59 in U11 (year to go still)
- Darcy Boyle – 33 In U15
- Billy Whalley - 31 in U13 (year to go)

Jon Gliddon (Fort Stamford) is currently No. 1 in the ES Masters ‘O’ 45 Ranking, and has Captained and played No. 1 for the England ‘O’ 45 team at the home internationals.

John Gallagher (Fort Stamford) is currently No. 1 in the ES Masters ‘O’ 40 Ranking, and has played England ‘O’ 40 team at the home internationals.

Hadrian Stiff (Bristol) is currently No. 16 in the ES Masters ‘O’ 40 Ranking.

Natalie Lawrence (D&E) is currently No. 1 in the ES Women’s Masters ‘O’ 35 Ranking, and has played England ‘O’ 35/40 team at the home internationals. Also UK Racketball National ladies Champion

Andrew Rugg-Gunn (Sidmouth Club) was runner up in the Scottish National Squash Championships O75 in March losing 10-8 in the fifth to world master champion Vincent Taylor and went on to represent Scotland in the Masters Home Internationals .

Finally, may I thank all of those who help to keep Squash and Racketball running in Devon. I should like to thank our President Keith White MBE, Chairman Bob Hefford, Treasurer Dean Clayton, our League Secretaries Alison Samuel and Alan Ford, all members of the Committee, tournament organisers, team managers and referees. One should not forget, of course, the club representatives and all those helpers who keep the game going at club level.

Mixed League Rules

2019b (Sept – Dec)

Amended rules for this season have been Underlined

1. Eligibility

1.1 CLUBS

(a) All clubs/teams must be paid-up members of England Squash. Clubs/teams will be suspended if membership subscriptions are still outstanding on October 31st.

(b) League entry fees will be determined by the Executive Committee and notified to the Annual General Meeting. Entry fees will be sent out after the fixture confirmation date and are due on 1st September.

A club that withdraws teams after the confirmation date for the coming season will be liable for the team entry fee. Teams that are withdrawn before this date will be exempt from payment.

Clubs that pay their league fees by 1st September, or within 30 days of the invoice date if later, are entitled to a 5% deduction from the total excluding any charge for not attending the AGM.

Clubs that pay their league fees by 30th September or within 60 days of the invoice date if later, must pay the full invoice amount.

Clubs that don't pay by 30th October, or within 90 days of the invoice date if later, will be required to pay a penalty of 5% of the total payable, including the AGM charge.

Clubs who pay after 30th November, or 90 days of the invoice date if later, will be required to pay a surcharge of 10% of the total payable, including the AGM charge.

Clubs must also provide England Squash & Racketball with the total number of players due for Individual Membership.

Clubs who have not paid by 31st October or have not provided England Squash with the information will be liable to suspension for the rest of the season, at the discretion of the Executive Committee.

(c) Any affiliated Club NOT represented at the Annual General Meeting will be charged an administrative levy of £20, which will be added to the invoice for the League team fees of that club.

Non-attendance at the AGM will mean that the club representative cannot receive the League Secretary's pack of match balls, scorecards etc which are handed out at the AGM to all League clubs thereby saving postage and delivery costs.

(d) Clubs/teams must appoint a Club Administrator as a point of contact for the League Secretary. They must provide the League Secretary with their e-mail address. They will be responsible for representing the club/teams affairs and will have a password allocated by the League Secretary. It is therefore essential that passwords are not divulged to others. The Club Administrator may delegate to a Club Captain, the inputting and verification of result cards and the addition of players to the club/teams Player Registration List. Should an Administrator wish to delegate this authority, they must provide the League Secretary with the Club Captains name and e-mail address in order that they can be allocated a password. It is the Club Administrator who remains ultimately responsible for the actions of their Club Captains.

(e) New teams wanting to join the Mixed/Ladies Devon leagues for both squash and racketball.

The committee will assess the ability / quality of the players in the new team and decide what league that new team would fit best into. This decision by the committee will be final.

No team will be allowed to enter a division higher than division 1 for squash or Division 2 for racketball as any team wishes to gain promotion to the highest league should earn that right.

A club cannot ask to enter a new team and then drop another team in the same season.

1.2 PLAYERS

(a) Players must be fully paid-up members of the club/ organisation they represent.

(b) Players must have:

(i) their principal place of residence in Devon or within 10 miles of the boundary

or (ii) have been born in Devon

or (iii) be qualified to represent Devon in the current season in the Inter County event.

(c) No player having been nominated for and having played without prior nomination in a mixed league match for one club/organisation, may in that season play for any other club/organisation in a mixed league match, unless cleared to do so by the League Secretary. Such clearance will be given only in exceptional circumstances.

- (d) Where a player's eligibility is in doubt, proof of eligibility must be provided by the club/organisation to the satisfaction of the League Secretary.
- (e) Players must be fully paid up members of England Squash. The 'Club Administrator' is responsible for seeing that players meet this condition and that their Membership Number is input on the on-line Player Registration List.
- (f) Non County (NC) players: Clubs are allowed to use 1 (NC) player per team in the Premier League. These players **MUST** be nominated to the team and the letters (NC) added after their name. A team may change its (NC) player at any time through the league secretary. These players **MUST** be unnominated, then opted out. The new player **MUST** then be nominated to the team. Any such players once withdrawn cannot be re-nominated throughout the season.

2. FACILITIES/ EQUIPMENT

- (a) Two courts are required for each match where there are two or more courts.
- (b) Home teams will provide adequate changing facilities and refreshments after the match.
- (c) Dunlop match balls must be purchased by clubs on a centralized purchase basis at 2 Doz. per team for each club to cover all home matches. Cost of balls for each team will be added to the invoice for county league affiliation fees to be paid before the start of the match season. All teams must use the Revelation Pro ball (double spot). The use of alternative speed balls is allowed if agreed in advance.
- (d) Players' clothing must comply with the England Squash Byelaws.
- (e) If it is considered that a condition exists on one or both courts which makes play hazardous or which may damage the court(s) the captains may elect to postpone the match in which case the entire match must be replayed and a report must be submitted to the League Secretary by both captains within seven days.

3. FIXTURES

- (a) Each team will play each of the other teams in their division once at home and once away.
- (b) The provisional fixture list must be confirmed online by club administrators by **23:59 on the 31st August**. Amendments to the fixtures list must be agreed between clubs, then sent to the league secretary by email to be changed. Matches can only be rearranged in the same half season as the original fixture and within the season dates.
- (c) Each Club Administrator must submit to the League Secretary (preferably by e-mail), any changes to the Provisional Fixture List **by 23.59 on the 17th August**. Amendments will be processed by the League Secretary. Teams affected by changes will be notified. The penalty for failing to observe this rule will be five points for the team seeking the change (maximum of one penalty per team).
- Club Administrators must confirm their fixture List online by clicking the button ([Click to confirm dates of fixtures](#)) **by 23.59 on the 17th August**. The Provisional fixture will then be adopted. The penalty for failing to observe this rule will be 5 points per team per week or part week in default.
- (d) **Rearrangements of fixtures after 1st Sept!**

The re-arrangement of fixtures after this date may only be made with the PRIOR consent of the League Secretary. He/she must be e-mailed giving the reason for the change of date by the team seeking the change. Consent for change will only be given if exceptional circumstances exist. (I.e. Courts out of action, no electricity). A fixture cannot be changed due to player shortages or illness, no matter what the circumstances. One exceptional circumstance is where a club hosts a Super League match, the date of which is fixed after the season starts. In this event, at least 14 days notice of the change of fixture must be given or that club loses its right to have the fixture changed.

- (e) Matches will normally start at 1930, unless adopted on the fixture list.
- (f) At least three players from each team must be ready to play at the scheduled starting time. Any other players arriving late must arrive before the last game has been finished (Unless a time has been agreed between Captains). If not then they will be deemed not to have turned up. In that case or where a player fails to arrive at all, that player's tie and all lower ties will be forfeit.
- If any player wishes to leave early then the opposing Captain must be contacted in advance of the match, if this is not possible then the player must stay until the last game has finished (if their game has not yet been played). If their opponent has not turned up then the above is imposed.
- (g) **Every League match must be refereed.** The home team will supply referees for three of the ties and the away team two. All matches will consist of five ties, each being the best of five games. A playing order of strings 5, 4, 3, 2, 1 shall be adopted unless agreed between teams. The rules of play shall be as laid down by the World Squash Federation. Points may be deducted for failure to meet this rule.
- (h) Points will be awarded for each fixture on the basis of each game won plus five for the team winning the greater number of ties.

(l) Where a club has two or more teams in the same Division/Section all matches between those teams must be played before the last 4 matches of the season.

(j) All matches must be played by the last day of the season.

(k) Fixtures may be changed by the league secretary up until the fixture confirm date (rule3c) as fixtures are provisional until after this date.

Team's wishing to drop out of the leagues before the fixture confirm date **will be exempt the team entry fee**. The league secretary if necessary may move teams into another division and re run the fixtures in the necessary leagues. The teams that may be moved would be dependent on the previous year's finishing positions.

For team's that drop out of the leagues after this date will be withdrawn from the league **and will be liable for the team entry fee**. This means the team will be greyed out and moved to the bottom position of that league and would be one of the 2 relegated teams in that division.

4. TEAM COMPOSITION

(a) Registration:

The registration/nomination of players is the responsibility of each Club Administrator.

- All players must appear on their clubs Player Registration List (PRL), before they play. The PRL will define order of play through ability.
- Each team must 'Confirm' on-line its PRL and declare its Nominated players by **23:59 on the 31st August**. Dispensation is granted to Exeter University due to their academic year. They must 'Confirm' on-line, their PRL before the Clubs (not team's) first match of the season. Failure to 'confirm' the PRL on time shall result in a 5-point deduction per team, per week, or part week overdue.
- New players may be added to the PRL prior to 7.30pm on the night of a match or, if earlier, the published start time of a match (not tie).
- Players who are un-registered or who play out of order shall forfeit both that and all lower ties.
- Once confirmed, the players Rank Order can only be amended during the following 'windows'.
1st window 20th Oct – 26th Oct. (window will have closed on the 27th Oct.)
2nd window 29th Dec – 4th Jan. (window will have closed on the 5th Jan.)
3rd window 16th Feb – 22nd Feb. (window will have closed on the 23rd Feb.)

(b) Nominated Players: **This rule now applies to Racketball.**

- Each team must nominate 5 players who must play at least once in that half of the season for that team.
- Should a nominated player not play 1 match in a half season then 5 points shall be deducted from the team for the match not played.
- Failure to 'Confirm' the nominated 5 players on-line before the **1st September** shall result in a 5-point penalty per week or part week thereafter.
- No player may be nominated for more than one team.
- Nominated players may not play for a team in a lower Division. Players in breach of this rule shall forfeit that and all lower ties.
- A team can change its nominated players during the 2nd window.
- A team may 'de-nominate' nominated players, in either the 1st or 3rd quarters of the season (the cut off date being the end of the 1st and 3rd windows), but the following conditions apply.
- The League Secretary has to be informed by e-mail of any change. A new player must be nominated in place of the de-nominated player. This newly nominated player must play once for that team in that half season, or face the penalty in 4(a) above. Any matches this newly nominated player might already have played for the team in that half, shall count towards the nominated amount.
- A de-nominated player is not permitted to play Devon League squash for a team in a lower, or, a different team in the same division, in that half season.

(c) Any player becomes ineligible for a team as soon as that player has, in the current half season, represented the club on 2 occasions in any Division higher than that in which that team participates (E.g. a nominated Division 4 player who has played in that half once in Division 3 and once in Division 2 is ineligible for Division 4). An ineligible player shall lose that tie and all lower ties.

(d) Players can only play for one team in the same division. Nominated players are tied to their own team in that division and cannot play for another team in the same division. Reserve players are tied to the first team they play for and cannot play for the other team in the same division during the half season. A player in breach of this rule shall lose that tie and all lower ties. At the end of the first half, if a reserve player has played less than 3 times for that team then the stat will be reset and that player may if they wish play for the

other team. If the player has played 3 or more times for that team in the first half then the player stat will not be reset and that player will have to remain tied to that team.

(e) The temporary indisposition of a player does not justify movement to a lower position. Where a team has been found to have played out of order, that tie and all lower ties will be forfeit and five points deducted from the team concerned. The two captains must exchange the order of play prior to the start of the match. Failure to do so may invalidate any complaint about the order.

(f) Infrequent player rule. **This rule now applies to Racketball.**

Before a team's last match of the season, the following condition must be met:

Each player must have already played once for that team, or a lower team in the club, in the current season.

If the condition can only be met by some players, then the remaining players **must** be chosen from players ranked lower on the registration list than those who do meet the condition. **All players must play in rank order.** If a player infringes this rule, that tie and all lower ties will be forfeit.

5. SCORES/ RESULTS

(a) **A Match Card containing, the Division, date, venue, names of players and scores must be signed by both team captains and kept by the Home team, (Match Card can be downloaded from the Devon SRA website). A copy should be kept by the Away team.**

The Club Administrator or Captain from both the Home and Away teams are responsible for submitting online, a record of the match, or for verifying the result input by the opposing team. A Home team has 4 days following a match, to input, or verify a result. The Away team has 7 days. In addition to this responsibility, where two teams from the same Club play each other, the signed Match Card (Not Photocopy) must be sent to the League Secretary for verification within 7 days. A team in breach of these rules will forfeit 3 points.

In the event of a dispute over the score of a match, the League Secretary will request to see the signed Match Card which must be provided within seven days of being asked. Failure to comply with this rule will probably result in the forfeit of 3 points and may result in the withholding of points scored by the offending team.

(b) A club that wishes to give a walkover must inform the League Secretary. Failure to fulfil a fixture will result in the award of a walkover and the League Secretary must also be informed. The score cards must be confirmed online by both teams otherwise a 3 point penalty will be awarded for a late card. The names of the players for the team that are given the walkover are to be put in, then select string conceded for string 1 on the team giving the walkover, then select the date and confirm. If the League Secretary awards a walkover, then the non-offending team will gain 20 points (or 14 points where both teams are from the same club) and the offending team will gain no points.

(c) League placing's will be decided by the number of points won or, where teams are level on points, by the number of matches won or, if still level, by the superior for and against points difference. Failing that, for first place only a play-off will be arranged.

(d) Two winning teams will normally be promoted and two bottom teams relegated at the end of the season, except where several sections feed into one, only one from each section will be promoted and an appropriate number relegated. Premiership winners will compete in the National Knock-out Competition. A team in default of this rule will render itself ineligible for Premiership of the Devon League for the following season. Other changes may be made at the discretion of the League Secretary.

(e) Non promotion rule to the Premier Div for squash.

Teams winning Div 1 squash have the right to not take promotion to the Premier league. If they do not wish to take promotion then the bottom premier side will not be demoted, unless the division is more than 6 teams.

If the winning team wishes to take promotion then the bottom team in the premier division will be demoted. One exception would be if the premier division is less than 6 teams.

6. IRREGULARITIES/ MISCONDUCT

(a) The Executive Committee has discretion in the event of a dispute or rule interruption. It has the power to award penalty by deduction of points in the event of irregularity, indiscipline or breach of the rules or take any action it sees fit.

(b) Failure by a club to give at least 48 hours' notice of its intention not to fulfil a fixture will be considered a case for deduction of points. In any case, the postponing / cancelling team must refund all out-of-pocket expenses which the other team actually incurred.

(c) Teams are only allowed to give one walkover during the whole season. Any further walkovers by the same team will incur a 25 point penalty for each subsequent walkover.

(d) In the event of a player being ineligible, that player's tie and all lower ties will be forfeit.

(e) If a tie is awarded against a player because of bad conduct, that player will be ineligible for the next League match of the team being represented at the time and may not represent any other team in the meantime. A report must be submitted to the League Secretary who may, under the procedure set out in the Devon Squash Rackets Association's Disciplinary Procedure, convene a Disciplinary Sub-committee to consider further action.

(f) All further disciplinary matters shall be dealt with in accordance with the Association's Disciplinary Procedure.

(g) Procedure for rule changes in the Devon League or Cup to be brought to the AGM:

Whoever wishes to change any current rules or who wish to introduce any new rules for the following season must follow this procedure.

1. Rule changes by players must be sanctioned by their club and to be sent through their club to the league secretary.
2. Rule changes must be sent in writing or by email and must reach the league Secretary by the first Monday in May.
3. The League Secretary will then take it to the Committee's May Meeting to be discussed and voted on.
4. If the committee vote for the rule change then it will go to the AGM.
5. If the committee votes against the rule change it will not go to the AGM. However it is the clubs right to raise an item to the Hon. Secretary to go to the AGM, this must be submitted to the Hon. Secretary not less than 14 days before the AGM.

- (d) Where a player's eligibility is in doubt, proof of eligibility must be provided by the club/organisation to the satisfaction of the League Secretary.
- (e) Players must be fully paid up members of England Squash. The 'Club Administrator' is responsible for seeing that players meet this condition and that their Membership Number is input on the on-line Player Registration List.
- (f) Non County (NC) players: Clubs are allowed to use 1 (NC) player per team in the Premier League. These players **MUST** be nominated to the team and the letters (NC) added after their name. A team may change its (NC) player at any time through the league secretary. These players **MUST** be unnominated, then opted out. The new player **MUST** then be nominated to the team. Any such players once withdrawn cannot be re-nominated throughout the season.

2. FACILITIES/ EQUIPMENT

- (a) Two courts are required for each match where there are two or more courts.
- (b) Home teams will provide adequate changing facilities and refreshments after the match.
- (c) Dunlop match balls must be purchased by clubs on a centralized purchase basis at 2 Doz. per team for each club to cover all home matches. Cost of balls for each team will be added to the invoice for county league affiliation fees to be paid before the start of the match season. All teams must use the Revelation Pro ball (double spot). The use of alternative speed balls is allowed if agreed in advance.
- (d) Players' clothing must comply with the England Squash Byelaws.
- (e) If it is considered that a condition exists on one or both courts which makes play hazardous or which may damage the court(s) the captains may elect to postpone the match in which case the entire match must be replayed and a report must be submitted to the League Secretary by both captains within seven days.

3. FIXTURES

- (a) Each team will play each of the other teams in their division once at home and once away.
- (b) The provisional fixture list must be confirmed online by club administrators by **23:59 on the 21st December**. Amendments to the fixtures list must be agreed between clubs, then sent to the league secretary by email to be changed. Matches can only be rearranged in the same half season as the original fixture and within the season dates.
- (c) Each Club Administrator must submit to the League Secretary (preferably by e-mail), any changes to the Provisional Fixture List **by 23.59 on the 21st December**. Amendments will be processed by the League Secretary. Teams affected by changes will be notified. The penalty for failing to observe this rule will be five points for the team seeking the change (maximum of one penalty per team).
- Club Administrators must confirm their fixture List online by clicking the button ([Click to confirm dates of fixtures](#)) **by 23.59 on the 21st December**. The Provisional fixture will then be adopted. The penalty for failing to observe this rule will be 5 points per team per week or part week in default.
- (d) **Rearrangements of fixtures after 6th Jan!**

The re-arrangement of fixtures after this date may only be made with the PRIOR consent of the League Secretary. He/she must be e-mailed giving the reason for the change of date by the team seeking the change. Consent for change will only be given if exceptional circumstances exist. (I.e. Courts out of action, no electricity). A fixture cannot be changed due to player shortages or illness, no matter what the circumstances. One exceptional circumstance is where a club hosts a Super League match, the date of which is fixed after the season starts. In this event, at least 14 days notice of the change of fixture must be given or that club loses its right to have the fixture changed.

- (e) Matches will normally start at 1930, unless adopted on the fixture list.
- (f) At least three players from each team must be ready to play at the scheduled starting time. Any other players arriving late must arrive before the last game has been finished (Unless a time has been agreed between Captains). If not then they will be deemed not to have turned up. In that case or where a player fails to arrive at all, that player's tie and all lower ties will be forfeit.
- If any player wishes to leave early then the opposing Captain must be contacted in advance of the match, if this is not possible then the player must stay until the last game has finished (if their game has not yet been played). If their opponent has not turned up then the above is imposed.
- (g) **Every League match must be refereed.** The home team will supply referees for three of the ties and the away team two. All matches will consist of five ties, each being the best of five games. A playing order of strings 5, 4, 3, 2, 1 shall be adopted unless agreed between teams. The rules of play shall be as laid down by the World Squash Federation. Points may be deducted for failure to meet this rule.
- (h) Points will be awarded for each fixture on the basis of each game won plus five for the team winning the greater number of ties.

(l) Where a club has two or more teams in the same Division/Section all matches between those teams must be played before the last 4 matches of the season.

(j) All matches must be played by the last day of the season.

(k) Fixtures may be changed by the league secretary up until the fixture confirm date (rule3c) as fixtures are provisional until after this date.

Team's wishing to drop out of the leagues before the fixture confirm date **will be exempt the team entry fee**. The league secretary if necessary may move teams into another division and re run the fixtures in the necessary leagues. The teams that may be moved would be dependent on the previous year's finishing positions.

For team's that drop out of the leagues after this date will be withdrawn from the league **and will be liable for the team entry fee**. This means the team will be greyed out and moved to the bottom position of that league and would be one of the 2 relegated teams in that division.

4. TEAM COMPOSITION

(a) Registration:

The registration/nomination of players is the responsibility of each Club Administrator.

- All players must appear on their clubs Player Registration List (PRL), before they play. The PRL will define order of play through ability.
- Each team must 'Confirm' on-line its PRL and declare its Nominated players by **23:59 on the 4th January**. Dispensation is granted to Exeter University due to their academic year. They must 'Confirm' on-line, their PRL before the Clubs (not team's) first match of the season. Failure to 'confirm' the PRL on time shall result in a 5-point deduction per team, per week, or part week overdue.
- New players may be added to the PRL prior to 7.30pm on the night of a match or, if earlier, the published start time of a match (not tie).
- Players who are un-registered or who play out of order shall forfeit both that and all lower ties.
- Once confirmed, the players Rank Order can only be amended during the following 'windows'.
1st window 20th Oct – 26th Oct. (window will have closed on the 27th Oct.)
2nd window 29th Dec – 4th Jan. (window will have closed on the 5th Jan.)
3rd window 16th Feb – 22nd Feb. (window will have closed on the 23rd Feb.)

(b) Nominated Players: **This rule now applies to Racketball.**

- Each team must nominate 5 players who must play at least once in that half of the season for that team.
- Should a nominated player not play 1 match in a half season then 5 points shall be deducted from the team for the match not played.
- Failure to 'Confirm' the nominated 5 players on-line before the **5th January** shall result in a 5-point penalty per week or part week thereafter.
- No player may be nominated for more than one team.
- Nominated players may not play for a team in a lower Division. Players in breach of this rule shall forfeit that and all lower ties.
- A team can change its nominated players during the 2nd window.
- A team may 'de-nominate' nominated players, in either the 1st or 3rd quarters of the season (the cut off date being the end of the 1st and 3rd windows), but the following conditions apply.
- The League Secretary has to be informed by e-mail of any change. A new player must be nominated in place of the de-nominated player. This newly nominated player must play once for that team in that half season, or face the penalty in 4(a) above. Any matches this newly nominated player might already have played for the team in that half, shall count towards the nominated amount.
- A de-nominated player is not permitted to play Devon League squash for a team in a lower, or, a different team in the same division, in that half season.

(c) Any player becomes ineligible for a team as soon as that player has, in the current half season, represented the club on 2 occasions in any Division higher than that in which that team participates (E.g. a nominated Division 4 player who has played in that half once in Division 3 and once in Division 2 is ineligible for Division 4). An ineligible player shall lose that tie and all lower ties.

(d) Players can only play for one team in the same division. Nominated players are tied to their own team in that division and cannot play for another team in the same division. Reserve players are tied to the first team they play for and cannot play for the other team in the same division during the half season. A player in breach of this rule shall lose that tie and all lower ties. At the end of the first half, if a reserve player has played less than 3 times for that team then the stat will be reset and that player may if they wish play for the

other team. If the player has played 3 or more times for that team in the first half then the player stat will not be reset and that player will have to remain tied to that team.

(e) The temporary indisposition of a player does not justify movement to a lower position. Where a team has been found to have played out of order, that tie and all lower ties will be forfeit and five points deducted from the team concerned. The two captains must exchange the order of play prior to the start of the match. Failure to do so may invalidate any complaint about the order.

(f) Infrequent player rule. This rule now applies to Racketball.

Before a team's last match of the season, the following condition must be met:

Each player must have already played once for that team, or a lower team in the club, in the current season. If the condition can only be met by some players, then the remaining players **must** be chosen from players ranked lower on the registration list than those who do meet the condition. **All players must play in rank order.** If a player infringes this rule, that tie and all lower ties will be forfeit.

5. SCORES/ RESULTS

(a) A Match Card containing, the Division, date, venue, names of players and scores must be signed by both team captains and kept by the Home team, (Match Card can be downloaded from the Devon SRA website). A copy should be kept by the Away team.

The Club Administrator or Captain from both the Home and Away teams are responsible for submitting online, a record of the match, or for verifying the result input by the opposing team. A Home team has 4 days following a match, to input, or verify a result. The Away team has 7 days. In addition to this responsibility, where two teams from the same Club play each other, the signed Match Card (Not Photocopy) must be sent to the League Secretary for verification within 7 days. A team in breach of these rules will forfeit 3 points. In the event of a dispute over the score of a match, the League Secretary will request to see the signed Match Card which must be provided within seven days of being asked. Failure to comply with this rule will probably result in the forfeit of 3 points and may result in the withholding of points scored by the offending team.

(b) A club that wishes to give a walkover must inform the League Secretary. Failure to fulfil a fixture will result in the award of a walkover and the League Secretary must also be informed. The score cards must be confirmed online by both teams otherwise a 3 point penalty will be awarded for a late card. The names of the players for the team that are given the walkover are to be put in, then select string conceded for string 1 on the team giving the walkover, then select the date and confirm. If the League Secretary awards a walkover, then the non-offending team will gain 20 points (or 14 points where both teams are from the same club) and the offending team will gain no points.

(c) League placing's will be decided by the number of points won or, where teams are level on points, by the number of matches won or, if still level, by the superior for and against points difference. Failing that, for first place only a play-off will be arranged.

(d) Two winning teams will normally be promoted and two bottom teams relegated at the end of the season, except where several sections feed into one, only one from each section will be promoted and an appropriate number relegated. Premiership winners will compete in the National Knock-out Competition. A team in default of this rule will render itself ineligible for Premiership of the Devon League for the following season. Other changes may be made at the discretion of the League Secretary.

(e) Non promotion rule to the Premier Div for squash.

Teams winning Div 1 squash have the right to not take promotion to the Premier league. If they do not wish to take promotion then the bottom premier side will not be demoted, unless the division is more than 6 teams.

If the winning team wishes to take promotion then the bottom team in the premier division will be demoted. One exception would be if the premier division is less than 6 teams.

6. IRREGULARITIES/ MISCONDUCT

(a) The Executive Committee has discretion in the event of a dispute or rule interruption. It has the power to award penalty by deduction of points in the event of irregularity, indiscipline or breach of the rules or take any action it sees fit.

(b) Failure by a club to give at least 48 hours' notice of its intention not to fulfil a fixture will be considered a case for deduction of points. In any case, the postponing / cancelling team must refund all out-of-pocket expenses which the other team actually incurred.

(c) Teams are only allowed to give one walkover during the whole season. Any further walkovers by the same team will incur a 25 point penalty for each subsequent walkover.

(d) In the event of a player being ineligible, that player's tie and all lower ties will be forfeit.

(e) If a tie is awarded against a player because of bad conduct, that player will be ineligible for the next League match of the team being represented at the time and may not represent any other team in the meantime. A report must be submitted to the League Secretary who may, under the procedure set out in the Devon Squash Rackets Association's Disciplinary Procedure, convene a Disciplinary Sub-committee to consider further action.

(f) All further disciplinary matters shall be dealt with in accordance with the Association's Disciplinary Procedure.

(g) Procedure for rule changes in the Devon League or Cup to be brought to the AGM:

Whoever wishes to change any current rules or who wish to introduce any new rules for the following season must follow this procedure.

1. Rule changes by players must be sanctioned by their club and to be sent through their club to the league secretary.
2. Rule changes must be sent in writing or by email and must reach the league Secretary by the first Monday in May.
3. The League Secretary will then take it to the Committee's May Meeting to be discussed and voted on.
4. If the committee vote for the rule change then it will go to the AGM.
5. If the committee votes against the rule change it will not go to the AGM. However it is the clubs right to raise an item to the Hon. Secretary to go to the AGM, this must be submitted to the Hon. Secretary not less than 14 days before the AGM.

Revised June 2001

SRA TECHNICAL INFORMATION SHEET NO. 14 EYE PROTECTION FOR SQUASH PLAYERS

The SRA recognizes that with the majority of sports there is the possibility of injury to a greater or lesser degree, subject to the nature of the sport.

The Rules of Squash are framed to assist in reducing the possibility of injury, but regrettably they do occur, of which the majority are of a minor category, bruises, sprains, etc. Of a more serious nature are torn ligaments, broken limbs and in particular, injury to the eyes. To assist in preventing the latter injury, the SRA considers it important that eye protectors that have been tested by National Standards Authorities are available to players of all ages who might wish to use them.

To meet this requirement the SRA, together with ophthalmic specialists, doctors, optical agencies and the British Standards Institution, undertook a considerable workload over a number of years to formulate the "British Standard for Eye Protectors for Racket Sports - Part 1 Squash", BS7930-1. This Standard was published in 1998 and since that date, numerous manufacturers have submitted their eye protectors for testing.

Details of the eye protectors that have met the British Standard are shown on the reverse, and new products are added when we are advised accordingly. The SRA maintain an updated list which is available on request.

A list of other eye protectors supplied from the U.S., Canada and Australia / New Zealand which hold the National Standard of their respective countries can be obtained from the World Squash Federation Tel: 01424 429245 fax: 01424 429250

Players are reminded that it is their responsibility to ensure that their eye protector has a recognized Standard - it is for your own safety.

The appropriate Standards for Eye Protection for Squash are listed below:

GB	-	BS7930:1	Canada -	CSA P400
USA	-	ASTM F803	Aust / NZ-	A/ NZS 4066

Should you have a query regarding an eye protector for squash or a Standard Number, please contact the SRA who will check the details for you.

Please be aware that a number of products advertised as eye protectors for squash and referencing a Standard totally unrelated to squash, are being offered for sale in the UK. These particular products are not proven suitable for squash.

The wearing of eye protectors for Doubles is mandatory, ref. Doubles Rules Appendix 10, effective 10.10.97. Eye protection is also mandatory for specified events for junior players (i.e. up to U/19 Level), please see attached list.

The SRA recommends the use of eye protection especially for beginners.
